

Kunal Pandey

2D and 3D Motion Graphic Designer

Haldwani, 263139, India

+919720353248 | kunalpandeykp18@gmail.com

Professional Summary

I am seeking a position in a creative and growth-driven organisation where I can apply my design skills while learning and adapting to new graphic technologies. I aim to contribute fresh, innovative ideas that support visual communication and brand identity. My goal is to grow professionally, stay updated with industry trends, and collaborate on meaningful projects. I strive to align my personal development with the organisation's vision, delivering impactful and effective design solutions.

Experience

Columbus Public School

Rudrapur

Motion Graphic Designer

10/2023 - Now

Working as a Motion Graphic Designer is a fulfilling and creative journey. I enjoy designing engaging visual content that captures attention, enhances the learning experience, and brings innovative storytelling. It's a role that truly inspires me daily.
